

Wonderfully Made Family Camp (WMFC) Volunteer Handbook

WMFC is designed to show the love of Christ to special needs families by providing an authentic camping experience for children with a wide variety of disabilities, and to offer respite and support for parents and typical siblings. Please read the volunteer handbook so you can come to WMFC equipped to minister to families who rarely have the opportunity to enjoy camping experiences together.

How to Prepare for Camp

- Ask God to grant you a servant's heart for the weekend and be in prayer for the camp families, also.
- Read through the handbook and schedule. Email (jolenephilo@me.com) with any questions that need to be answered before camp. Jot down other questions you'd like to ask at the training.
- Check the weather forecast a few days before camp and pack accordingly.

What To Bring

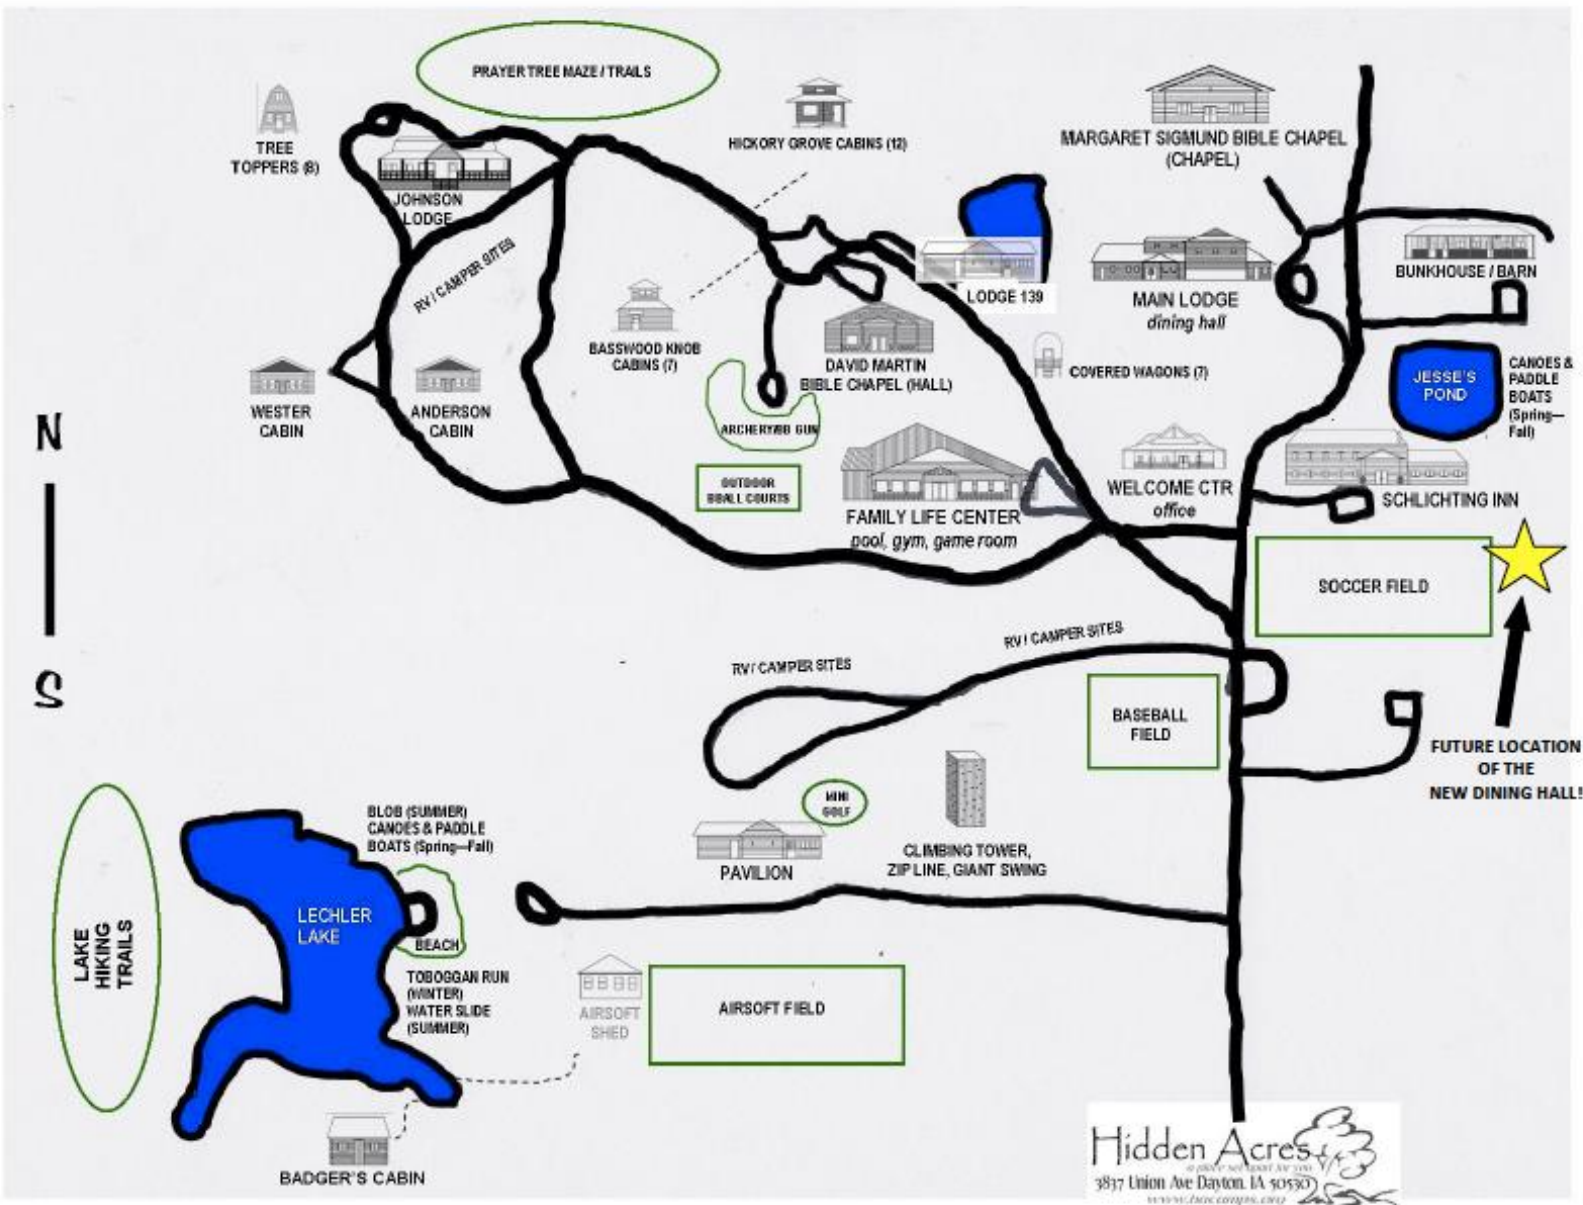

- Casual, modest clothes: shirts, shorts, sweatshirts, jeans, and comfortable shoes. If the forecast includes rain, bring boots and an umbrella. You will receive a camp t-shirt to wear on Saturday.
- Jacket or sweatshirt for evenings
- Swimsuit and towel—Girls and women should bring one piece suits or tankinis that cover the midsection completely. No two piece suits or bikinis are allowed. Hidden Acres has an indoor pool, so there will be swimming whatever the weather.
- Towels, pillows, and bedding. Sleeping bags are a good option!
- Toiletry bag or caddy to carry to and from bathrooms
- Hairdryer
- Flashlight
- Cell phone (if you have one-limited reception)
- Medications needed
- Hat, visor, and/or sunglasses
- Bug spray and sunscreen
- Spending money for snack shop or gift shop
- **If a repeat volunteer – your volunteer shirt from last year**

What Not To Bring

- Yoga pants or leggings
- Short shorts
- Shirts with inappropriate messages
- Expensive electronic equipment
- Perfume or highly-scented toiletry items since many of the kids are allergic to fragrances
- Weapons
- Alcohol or illegal drugs

WMFC Camp Policies

- Volunteers should not take photos of campers and their families and/or post them on social media.
- Volunteers serving as personal buddies should eat meals with their camper's family unless the family indicates otherwise.
- No smoking is allowed in any camp buildings or on the camp grounds
- Lake is not available, except for the "Youth" Outing Saturday night
